

Bob Thiele

Division 4 Candidate

My name is Bob Thiele and I am running for the position of Director of Division 4. I currently hold this position and it is my desire to continue, enabling me to complete projects that I have started. At this point division 4 has the status of a nonprofit organization. This will allow the Division to obtain technology that will help reach members outside of the Austin area. Because the Division is large, it is hard to have all the Division members meet at one time. I would also like to establish a program that will enable me to establish personal contact and meetings with all members in the Division. Two other projects I would like to accomplish is to recruit younger members into the Division. The other is to establish an MMR mentoring program to encourage the membership to work on the NMRA achievement program.
